

BUCKLEY PARK CRICKET CLUB INC.

SMOKE-FREE POLICY

This policy details the Buckley Park Cricket Club's commitment to ensure its players and supporters to promote a smoke-free environment.

For the purposes of the document, the words "smoke" and "smoking" refers to the use of cigarettes, vapes and any other tobacco products.

Buckley Park Cricket Club recognises that:

- Environmental (second-hand) tobacco smoke is a health hazard and that non-smokers should be protected from it.
- Role modelling can have a significant impact upon junior members of the club.
- Smoke free areas make smoking less visible and less socially acceptable
- Smoke free areas support smokers who are trying to quit as well as reduce their overall cigarette consumption
- Outdoor smoke free areas help to reduce the amount of cigarette butt litter thus reducing clean-up costs, fire risk and children's health risk due to swallowing discarded butts
- Smoke free environments are advantageous in attracting new members as well as positively promoting the club in the community.

As of April 1 2014, the Tobacco Act 1987 Section 5RI(1) bans smoking within 10 metres (about 2 car lengths) of a sporting venue that is an outdoor public place during an organised underage sporting event in Victoria. This ban also includes training or practise sessions to prepare for participation in an organised underage sporting event, and breaks or intervals during the course of the event, training or practise session.

This policy applies to every spectator, player, club member, umpire, official, participant, administrator, coach, parent or member of the Buckley Park Cricket Club.
